

WE NEED YOUR HELP

The Trempealeau County Humane Society is a no kill, local, non-profit, charitable (503c) organization. We are not part of any larger organization, including the Humane Society of the United States. We also do NOT receive any public or tax funds. We are supported by charitable contributions from generous donors. We are currently getting donations for our 2019 membership drive and are asking for your support. Your membership would help us continue to serve the welfare of animals that are brought to our shelter. We provide veterinary care, spay and neuter, food, shelter and micro chipping services. Our current membership levels are:
