

Would you like to sign up your business for this safe and fun family activity?

With COVID-19 still present in our communities, we're hoping to replace our Beer & Wine Walk with a Trivia Scavenger Hunt. Groups and individuals will be completing the "hunt" on their own time during the month of October and submit their answers to the Arcadia Chamber to win a prize!

IMPORTANT: *If your business is NOT located in the City of Arcadia, we can use our Chamber office window to display your trivia question and business information. Our office is located by Memorial Park. We'd be happy to accommodate you!*

Step 1

Are you in? You tell us (via RKDchamber@gmail.com or 608-323-2319) that you want to include your business in this hunt AND what kind of prize you're planning to donate (donation not required, but encouraged; can be a physical prize, gift certificate or cash donations - big or small).

Deadline to register your business: Sept 20, 2020

Step 2

Your Trivia Question: Send us a couple of trivia question(s) about your business or related. The "hunters" will try to find the answers for the activity either by looking at the outside of your building, reading through your website/social media or by calling your office. *Example questions: Who founded XYZ business? What's the color of XYZ's front door? What's the owner's favorite dessert? How many steps does the staircase in front of XYZ business have? How did XYZ business get its name? Which financial institution located in Arcadia has been serving West Central Wisconsin since 1914?*

Step 3

Activity Sheets: We'll bring you a poster to hang on the customer-facing window or door of your choice so people know that you're participating in the scavenger hunt. Groups/individuals will pick up their FREE activity sheet outside the Soldiers Walk Visitor Center or download it from our website on October 1. Optional: Businesses can request to have activity sheets at their place of business to help promote the scavenger hunt. *Have fun!*

How does this help my business?

Just as with the Beer & Wine Walk, the goal of this activity is for people to engage with your business in a new way and re-discover Arcadia with their friends and family. It's a fun reminder that you're here to provide new and existing customers with quality services and products close to home. We'd love to have you on board!
